Dear Friends of Fabric and Fiber:

Can you believe the year of 2008 is about to end? I am surprised how time goes faster each year of my life! But, as I get older I am working on learning, that stopping and having time with good friends and making treasures from fabric and fiber give me a great sense of accomplishment!

In our efforts to say thank you to each person for your business, this newsletter contains a coupon in it! I hope you can find it!

Upcoming events: More on Page 2 — these are just extra fun ones!

## **Wool 101 by Heidi!**

Have you ever wanted to create one of those great penny-rugs or table toppers that you see all made out of wool but were afraid to attempt it or don't know where to start? Well, this is the class for you. Wool projects make the best "on the go" take along projects. There's no needle turning or machines in this class. We'll discuss where to acquire wool, the different kinds of wool available, thread selection, needles, basic stitches and some hints and techniques to get you off on the right foot. You'll get started on this adorable penny-rug in this 3 hour class and learn how to trace the pattern onto freezer paper and how to put it together. We'll have fun using our creativity to personalize it. A supply list and/or shop created kit will be provided at additional cost for this project.

## SOME OF THE 2009 HAPPENINGS

January blows **"The Alphabet Club"** in with warm times by Paula Stoddard! She is creating a new pattern for each letter of the alphabet! In this class you will learn new techniques from Paula and have a great time meeting other quilters! The kick off party will be January 17th for you to learn more!!

In January we will bring the year with Lela Gaither teaching **Beginning Sewing, a 6 week course** that is geared for the person who is just getting the sewing machine out of the box or the person ready to learn how to sew!

And it wouldn't be the first of the year if Kay Harmon did not take one of **Jan Patek's Baskets, Berries and Leaves**.... I have had the opportunity to see a couple of blocks and the fabrics she is using are incredible!

February kicks off a new **BOM "A Country Quilt" by Waltzing with Bears** - this is a sweet wool project! Each month Paula will take you through the process of making your BOM or you can participate without the class! The class will meet on the 4th Saturday from 9 to 11!

March kicks off a BOM by **Piece o Cake "Aunt Millie's Garden"** ... this will be a fun bright floral appliqué project on a cream background (the photo has it on red). Donna Thomas will have a kickoff for this BOM on March 7th from 2—4!

March also kicks off **"The Buggy Barn Girls"**.... Yes, we are going to take you on a fun adventure each month via a Buggy Barn pattern with Paula Stoddard! If you have ever wanted to learn how to get that primitive look...these are the classes!

**Beginning Quilt Making Techniques** from Donna Thomas! Wow! This is one of those classes, all quilters need to take! This is a great class once you have a few projects under your belt! She is a fabulous teacher! This is a 7 week class begins the last week in March.

April with Spring into action with Terry Thompson coming to do Fabric Camp!

September we will be hosting Sue Spargo!

Yes, there is lots more to come!
