Classes this Saturday!

Mariner's Compass	July 18, 2009	Learn how to make these pretty Mariner's Compass blocks by either hand or machine. The beautiful compass block is not nearly as intimidating as you might think. By mastering this simple compass you will be ready to tackle more complex versions.	35.00	9 a.m.	3 p.m.	Donna Thomas
Machine Applique	July 18, 2009	This is a technique class – we will practice using a variety of shapes but will not create a project. Prerequisite – Knowledge of your machine including how to change stitch length and width. You will use the blanket stitch or zig zag stitch (if your machine doesn't have a blanket stitch) as you appliqué a variety of shapes. Cost of the class includes kit	20.00	9 a.m.	Noon	Kay Harmon
Machine Quilting	July 18, 2009	After a discussion of marking tools, batting, thread, needles, and sandwiching methods, you will prepare and mark your practice piece. You will learn how to stitch in the ditch and how to create grids using your walking foot. Once you're comfortable with this traditional method of quilting, you'll learn the basics of free motion quilting.	25.00	1 p.m.	5 p.m.	Kay Harmon
