Dear Fabric and Fiber Lovers:

Did you get a chance to see the embroidery exhibit at the Massey? I was taken back by the beauty of embroidery, the different fabrics it was on — from linen, wool, cotton, and all the things in between! I am now working on my first embroidery piece on linen — and I admit I am somewhat intimidated by it! I have been practicing on towels and some primitive embroidery (which I find quite relaxing!).

It was so inspirational that the ladies we went with encouraged us to form our own **“Stitchin’ Hares Group”** here at The Rabbit’s Lair! This will be a group of “Stitchin’ Hares” where there are no rules, no fees, no politics! It is a **come and go as you please** on the **2nd & 3rd Tuesday of each month**. We will meet at the Stroud building from **9:30 AM to 7:00 PM**! Really, no rules.... just relax, laugh, and learn! Rheba or I will be at the Stroud building ready to help you, learn from you and encourage you! We will bring you 3 new stitches each month so that you continue to increase your knowledge!!

Only Because of His Grace,
Mary Elizabeth
