

**Bloggers! We are doing it! Yes,  
with help from Wanda Coble!**

How to follow a blog? Yes, I am getting this info from Wanda!

Click on this link: <http://therabbitslairrogers.blogspot.com/>

At the top (Left hand side) you will see Follow - click on follow and you will get this screen!

Then you will need to enter in some information! No, not your blood type or anything like that!

The screenshot shows a dark blue header with the Blogger logo and the text "Follow this Blog" and "? Help". Below is a light-colored dialog box titled "Start following The Rabbit's Lair" with the URL "http://therabbitslairrogers.blogspot.com/".

There are two radio button options:

- Follow publicly as The Rabbit's Lair** (selected):
  - Follow publicly to tell the blog's author and the world that you're a fan.
  - Stay updated with this blog's posts on your Blogger Dashboard.
  - New!** This site will also show on your FriendConnect profile for all the sites you've joined using Friend Connect.
- Follow anonymously**:
  - Keep your subscription private.
  - Stay updated with this blog's posts on your Blogger Dashboard.

At the bottom are "FOLLOW" and "CANCEL" buttons. An inset shows a "Google Friend Connect" profile with a "Your picture" placeholder and a yellow arrow pointing to it.
